MRS. GEO. W. DEAN

Sarah Margaret Mizener was born in Freemont, Ohio, Sept. 9th, 1846. She moved from that state to Iowa and was married to Geo. W. Dean on July 20th, 1865. The bride and groom moved to Mower Co., Minnesota, where they resided for 46 years. In June, 1911, they moved to this city where they resided until death came to claim her on Thursday, Sept. 19th at 1:30 P. M.

She leaves to mourn her loss a husband, Geo. W. Dean; four sons and four daughters: Frank and Albert of this city; Henry of Randoplh, S. D.; George of Cavalier, N. D.; Mrs. L. D. Bentley of Osakis, Minn.; Mrs. Benjamin Loucks of Reeder, N. D., and Mrs. John Lowry and Miss Mildred Dean of Big Timber, Mont.

She was a faithful wife, a kind and indulgent mother to her family, a sincere friend to all who claimed her friendship.

She was held in the highest esteem by all down in Southern Minnesota, where the family lived for nearly half a century. Though she had been the victim of a chronic ailment for many years she was able most of the time to go about her household duties, and the sudden termination of her life was not anticipated. Just a few days before she had visited the home of her son Henry of Randolph, and appeared to be in her usual health.

Funeral services were held at the home on Sunday at 2:00 P. M., Rev. S. E. Brown officiating.
