MARY ADA BACON DIED ✓

Passed Away Following Operation at
St. Luke's Hospital.

Mary Ada, daughter of Mr. and Mrs. Arthur Bacon passed away at St. Lukes hospital at Aberdeen, Friday, August 24, following an operation for appendicitis on the Sunday preceding, at the age of ten years.

The little girl had been sick only a short time when it was thought advisable to take her to the hospital and upon arriving there an operation was found to be imminently necessary. Following the operation she failed continually until the time of her death.

Funeral services were held at 2:30 p. m., Sunday, at the E. W. Henderson home and interment was made in the Huffton cemetery.

The sudden taking away of this child, in a manner so wholly unexpected came as a shock to all who knew her and to her parents and those of her immediate family who knew her best it was a most severe blow.

The sympathy of all goes out to the bereaved in their sore affliction.
