

SHOOTING MAY RESULT FATAL

10-2-1919

Watertown, Sept. 27.—Lyle Breyfogle, a returned soldier, was shot and perhaps fatally wounded by Fred Portwood on a street at Vienna last night. The bullet entered just below the heart and penetrated the stomach, inflicting wounds which physicians say may prove fatal.

The trouble between the two is said to have resulted from an argument over a young lady friend of Brey-
