Groton Young Lady Called by Death  
Friday Evening.

Virginia Hazen Brokaw passed away at her home in this city Friday evening, following an attack of influenza followed by pneumonia and heart failure. At the time of her final summons she was recovering from the disease, and expected to be up and around this week. She had been up and about the house and had eaten her supper with the family. Within half an hour thereafter heart failure came and she passed to the great beyond.

Virginia Hazen Brokaw was born Dec. 9, 1899, and at the time of her death was 18 years, 10 months and 16 days of age. She was born at Litchfield, Minn., and came to Groton 16 years ago. She died Friday at 7:00 o'clock. The funeral service occurred at 10:00 a. m. Monday, Rev. Harrold officiating. Interment was made in Groton Union cemetery. She was a member of the M. E. church.

Of happy disposition, possessed of a smile for everyone, Virgie Brokaw made friends wherever she went. She will be much missed by her many friends and most missed by those who knew her best.
