### B. F. DICKERSON GONE

After long illness and much suffering, B. F. Dickerson paid the debt of nature last Sunday night at his home in Groton, aged seventy-four years.

Deceased was a native of New York State, moving to Michigan seventy years ago, where he grew to manhood and made his home for nearly fifty years. In 1882 he came to this county, and established a home near where Putney was afterward located, living there until he moved to Groton four or five years ago.

A widow and several sons and daughters survive him.

Mr. Dickerson was in all respects a good citizen, a loyal soldier of the civil war, and leaves an honored name to be cherished by his family and friends.

Funeral services were conducted by Rev. O. W. Butterfield on Tuesday afternoon.
