**MRS. DRAEGER**

2-27-1908

Mrs. Albert Draeger, who had long been a sufferer with cancer ended this life at the hospital in Kansas City, late Sunday afternoon. Several weeks ago accompanied by her son Carl, she went to Kansas City in search of relief from the dread malady, but found respite only in the summons of the grim reaper.

The body was brought back here, where for so many years she had lived as a respected pioneer, and where she had reared a family of children, and the funeral services were held in the Lutheran Church at James, where she had long held a membership.

The deepest sympathy of old time neighbors and friends is felt for the stricken family.
