

October 29, 1908

✓ CLARENCE J. FELLER

Mrs. and Mrs. F. J. Feller suffered the loss of their little four-year-old son, Clarence, a couple of weeks ago, and funeral services were held at Bethel church on the 18th by Rev. A. J. Tiffany, of Aberdeen. The little fellow was afflicted with an abscess of the throat, from which he might have recovered but for weakness of the heart. He was the youngest of the family, born Oct. 27, 1907.

This family has certainly been visited with unusual affliction. A year ago last Christmas the eldest son died from the effects of blood-poisoning. The father is just recovering from a severe run of typhoid fever, and was so weak that he fainted twice as the body of his little son was being taken from the home.

Funeral services and burial occurred at Bethel church in Northeast Garden Prairie.
