## HENRY KIMMEL

Henry Kimmel passed away Thursday at the home of his brother R. C. Kimmel, from inflammation of the liver, contributed by pneumonia. It was only a few days previous that Mr. Kimmel was in town and one would hardly have suspected that the end would come so soon, but his advanced age of about 70 years was against him, although all was done that loving hands could possibly do.—Verdon Times.

Henry Kimmel was one of the pioneer residents of the county having arrived here something over thirty years ago. He leaves a large number of relatives and friends to mourn his loss.
