Sophia Kuppelman was born in Watertown, Wis., in 1875 and came to Groton in 1892. Nov. 30, 1899, she was married to Ferdinand Lindert. To them was born one child, George, who has had charge of the home farm five miles southwest of Groton since Mr. Lindert's death, February 4, 1923.

Mrs. Lindert had not been in good health for several weeks, but had not been wholly unable to do her housework. She was a hard working, industrious woman which fact probably led her to overtax her strength during her last days. She departed this life very suddenly Thursday morning, June 18, 1925. Funeral services were conducted at the home Sunday afternoon by Rev. Paul Gardner of the Methodist church and the body laid away in the Groton Union cemetery.
