## Edward Moore Dies Suddenly Tuesday

Edward Moore, a highly respected citizen of this place died Tuesday afternoon, presumably from a stroke of paralysis, as his death came sudden and unexpectedly.

Mr. Moore had not been in the best of health for the past two or three years. Some time ago he suffered a paralytic stroke, which invalidated him for some time, and as he was slowly recovering he fell from a ladder and broke his leg. For the past few years he has been confined to his home.

Mr. Moore was the oldest Odd Fellow in the local order and his funeral will be conducted by that body.

For a long time he conducted a livery barn in Groton, but some time ago retired when he was afflicted with ill health.

The date and time of his funeral have not been set as the Independent goes to press.
