

LAMBERT H. NEFF

1-14-1904
Passed Away at Thomasville,
Ga., at Noon Today

Last Saturday alarming news was received of L. H. Neff's condition. His physician at Thomasville Ga. reported that he was dying. His brother, Dr. L. K. Neff, hurried to him from New York City, but could make no favorable report.

In the closing moments of getting our paper to press, we can express no adequate idea of the loss which Groton has suffered.

The remains will be brought here for burial, accompanied by Mrs. Neff and Dr. Neff, and will probably reach here by Monday morning.
