

OBITUARY
6-24-1920

Mrs. Anna Jensen Nehls was born June 9, 1876, and departed this life June 11, 1920, having reached at the time of her death the age of 44 years and two days. After months of suffering, owing to a complication of diseases death came to her relief and she passed from life peacefully and gently.

Mrs. Nehls was a native of Minnesota. In her early girlhood she moved with her parents to the vicinity of Ferney, where the remainder of this useful life was passed. At the age of nineteen years she was united in marriage to Herman Nehls, also of Ferney, and to this union were born eleven children, ten of whom with the bereaved husband, survive this loving wife and mother. Besides the immediate family are the parents, Mr. and Mrs. Henry Jensen, two small grand children, five brothers and six sisters to know the loss of a devoted daughter and sister. The entire community are united in extending to the bereaved ones their unbounded sympathy in the great loss which they have suffered.

Funeral services for this loving Christian mother were held on Monday afternoon from the Ferney Lutheran church, Rev. Burmeister officiating. Burial was made in the church cemetery. The large number present to witness the last sad rites and the beautiful floral offerings were but a fitting tribute to the close of a worthy life.

There's a dear one gone,
There's a saddened home,
There's a grief no hand can stay,
There are empty hearts,
There are tear-dimmed eyes
Since our loved one is gone away.

Farewell, dear heart,
Though now we part,
We shall meet in the afterwhile,
To be joined for aye,
In that endless day,
In that "Beautiful Somewhere Isle."
