## **Abe Palmer, Former Grotonite, Passes Away**

Word was received in Groton recently that A. S. Palmer, for many years a resident of Groton, but who has made his home on the Pacific coast for some time past, had passed away.

The brief announcement of his death came in a letter from Mrs. Palmer to the local bank. The letter merely stated that Mrs. Palmer "returned from the east, where she buried her husband," no other information of his death, cause or where he was buried being contained in the letter.

If the news contained in the letter is authentic, Groton will learn of Mr. Palmer's death with considerable regret. Although it was known that he had been in poor health for some time, yet no one suspected that he was dangerously ill.
