GLENN W. SULLIVAN

Born in Groton Township, June 25th 1886, died August 24th, 1912. Married to Mary Johnson in November 1908.

Deceased is survived by the widow and child, by his father and mother, Mr. and Mrs. Wesley Sullivan and by a sister, Mrs. H. T. Kemp, of Pasadena, Cal.

Though only twenty-six years of age, he had suffered more months of wracking illness than falls to the lot of the average man.

Some years since he suffered a severe run of illness, when for months his life seemed to hang by a thread. After long convalescence, he was again able to be about and assume his place with the workers, but never fully recovered from traces of his former sickness.

The devoted efforts of his parents for the recovery of their only son, and the efforts of friends, neighbors and medical skill were unavailing.

Funeral services were held on Sunday afternoon at the parental home of the departed.
