✓ **JOHN ROBERTS DEAD**

4-24-1902
The death of John Roberts, which occurred on Tuesday evening of this week, at the hospital in Aberdeen, removed an old-timer who has been a familiar figure hereabouts for many years.

Deceased had but recently disposed of his half section down in Hanson, and was preparing to move to Kalispel, Mont., where a nephew resides. He attempted to make a will Tuesday evening, but was too far gone to give any connected ideas. He requested Albert Miller to act as administrator, and it is thought that he left between five and six thousand dollars, mostly the proceeds of his farm sale. His near relatives are a sister and large family, living at Columbus, Ohio, and the children of a deceased brother, most of whom live in Nebraska. A request was received this morning from one of the latter to have the body embalmed and await arrival. No funeral arrangements will be made until one or more of the relatives arrive.
